

DIE LETZTEN ZEUGEN

**Sonja
ARNOLD** geb. 1926

(früher Sonja BREINDLER)

United Kingdom

“In Memory of my wonderful parents Anna and Rubin Breindler, who perished in the Nazi Concentration Camps of 1942.”

“My world was completely shattered. What did we Jewish people ever to deserve this? On the night of Kristallnacht (1938 in Vienna) my life changed forever as **I witnessed with HORROR inhumanity of the worst kind** happening to so many of my fellow Jews. At the young **age of 13** years I was taken from my home and transported to England, never to see my Dear Parents again, **no more hugs and kisses** and warm family love for me. Facing a new language, new customs, and a totally new life I was absolutely devastated. **I WAS ALONE.**“
